About “CAP”

The Community Arts Partnership has been providing grants, programs and services to the artists and audiences of Tompkins County for over 25 years. CAP brings creativity to life! Visit ArtsPartner.org for more information.

Program Overview

The title of Poet Laureate is a time-honored tradition. In 1668, England officially established the post as a royal office. In the 19th century some local Poet Laureates were recognized in their communities. In 1937 the US created the position of national poet laureate.

The position of Tompkins County Poet Laureate was established by the Tompkins County Legislature in 2001 to honor local outstanding poets, integrate poetry into the community, enrich the education of our young people, and enhance the County’s position as a cultural center.

Since its establishment, the selection and announcement of the Tompkins County Poet Laureate has been a process administered by the Community Arts Partnership (CAP). CAP solicits nominations and organizes the selection panel for appointment to the post.

Appointments have been for one-year terms, but precedent allows for one additional consecutive one-year term, based on the availability of the poet. The honorary position is without salary, but programmatic stipends may be available depending on grant funding.

Duties

The Poet Laureate’s named duties over the period of his/her appointment include:

1. Presentations of his/her poetry at a Tompkins County Legislature meeting.
2. Presentations at other appropriate public events, at least once each quarter for his/her term.

3. Advocacy of poetry in the community, including, but not limited to, bringing poetry to school children, projects or programs that promote the appreciation of poetry, or poetry workshops with underserved populations in the community.

Review Criteria

Nominees for the Tompkins County Poet Laureate must:

1. Be a resident of Tompkins County for at least two years.
2. Be a published author with a body of high quality work.
3. Be comfortable in the performance of poetry in public.
4. Be interested in presenting a sense of the community through poetry.
5. Be willing to advocate and educate people about poetry.

Nominations

Nominations may come from individuals or organizations within or outside Tompkins County. Tompkins County Poets may self-nominate. Each nomination must contain;

1. Cover letter from the nominator identifying the nominator and/or the nominating organization with the recommendations of the nominee.
2. Name and short biography of the poet nominated with contact information and a statement of interest by the poet (if not self-nominating)
3. Three to six poems by the poet.

Review Process

All nominees for the Tompkins County Poet Laureate will be reviewed by a selection panel consisting of a past poet laureate, community members, and CAP staff.

Using the criteria listed above, the panel will make a recommendation for official approval by the Tompkins County Legislature.

Nomination Deadline

Nominations must be submitted by end-of-day Friday, December 9th, to the CAP office. Announcement of the selection will be made in January. The selected poet typically reads at a January meeting of the Tompkins County Legislature, when his/her title is officially declared.
